<p>“This is Kennedy, a mom of two. It’s the holiday season... again... and she doesn’t know where to start. The prices are up, and let’s be honest, shipping fees can be a nightmare.”</p>	<p>KENNEDY is on the couch, vigorously scrolling through present ideas online while her kids run around. Not finding anything, she lets out a <i>huff</i> and closes her phone.</p>
<p>“But what if I told you that life doesn’t have to be that hard.”</p>	<p>KENNEDY’s phone digs. She clicks to open the AQUANTUO app that magically appears on her phone.</p> <p>“Hmm..”</p>
<p>“Aquantuo mobile can buy or ship items from you at extremely low costs. That way, you won’t break the bank and can spend more on the things you want.”</p>	<p>KENNEDY smiles and looks through their freight rates and buying options. She is beaming. This works for her.</p>
<p>“Can’t finish the order in one sitting? Need to think it over? No problem! We save your progress in the cart.”</p>	<p>KENNEDY’s kids nag her, forcing her off her phone to spend time with them. She is still smiling.</p>
<p>“You can even pick off where you left off on a completely different device.”</p>	<p>KENNEDY walks to work and continues her order on her work computer, on Aquantuo’s website.</p>
<p>“With mobile and online options, getting what you want is a click away.”</p>	<p>The commercial screen lights up with Aquantuo’s freight options and rates; then shrinks as we see we are looking into KENNEDY’s eyes and extending out to include her smile.</p>
<p>“Put in a request to have our buyers shop for a product you want. Or, if you order from someone else, upload that information to receive an Aquanto-approved shipping site for lower freight rates and faster delivery times.”</p>	<p>“KENNEDY puts her order information from another site into Aquantuo, then clicks ‘enter.’ KENNEDY obtains an Aquanto-approved shipping site location. Then, KENNEDY puts its address into the primary site and finds out she will pay less.</p> <p>KENNEDY accidentally lets out an excited <i>yeah</i> as she fistbumps the air and quickly covers her mouth in embarrassment. Her work environment is supposed to be quiet, but now everyone stares at KENNEDY.”</p>
<p>“Whatever you choose, Aquantuo has your back.”</p>	<p>Montage of a package on the conveyor belt then flown out.</p>
<p>“Aquantuo roots itself in Integrity, Excellence,</p>	<p>A DELIVERY MAN picks up the package from</p>

The car drives off.</p> <p>KENNEDY closes her car doors as she and her KIDS walk toward the house.</p> <p>There is a DELIVERY MAN at her door, wearing an Aquantuo logo.</p>
<p>So trust Aquantuo. Just press send; we got the rest.”</p>	<p>Her kids giddily bounce around her legs. The DELIVERY MAN hands KENNEDY the package, and they both smile at each other, laughing softly.</p>
	<p>The screen goes black with Aquantuo and its slogan. END.</p>
